Hunter Oaks Swim Club

The Hunter Oaks Board of Directors has approved the following rules:

Pool FOBS

A pool member roster will be maintained and pool personnel will allow entrance based upon the following:

1. Membership dues are currently paid in full.
2. You must swipe your pool fob at the gate. (The fob will allow you access during normal pool hours)... if there is an error with the gate, or your fob does not allow you access, you must check with the guard on duty and they will check the member roster.

Each family has been issued one pool fob per family. Extra or replacement fobs can be obtained thru Braesael Management (704) 847-3507. Immediate family is a person(s) living IN your household. Please refer to Guests for more information. Taking the improper amount of tags will result in the loss of pool privileges. You are to register your family member's names, children's ages and your phone number when receiving your tags. A phone number is needed in case of emergency.

LOST FOBS will be replaced by contacting Braesael Management (704)847-3507 or email at hunteroaks@braesael.com.

LOANING pool fobs will result in confiscation of fob.

DO NOT DISCARD FOB AT THE END OF POOL SEASON. It will be used again the next year.

ENFORCEMENT OF THE RULES

THE POOL MANAGER AND LIFEGUARDS HAVE THE AUTHORITY TO ENFORCE ALL THE RULES AND ENSURE THE SAFETY OF ALL MEMBERS AND GUESTS.

Violations of these rules will result in suspension of pool privileges. You will be asked to remove yourself from the pool grounds immediately. Any disagreement should be taken up with the Pool Manager. The lifeguards are employed to enforce the rules, not interpret them.

Limit all conversations with the lifeguards while they are on duty. The guards are there for safety, not socializing.

Lap lanes are to be cleared for the lap swimmers. For adults 18 years and older who wish to have access to swim laps at Beckford Glen from 6AM - 10AM Monday - Friday and Sunday, please contact Braesael Management to have fob access turned on for these time periods.

10 MINUTE ADULT SWIM

At 10 minutes 'til the hour, an adult (18 years old and above) swim will be called. This rule is intended to give children a rest and adults unobstructed swim time, and give everyone the opportunity to visit the restroom to limit the number of accidents in the pool. The Adult Swim will not be called the first hour or the last hour of each operating day. Parents may use this time to swim with their infants.

All children must have their entire body out of the water. Parents are not allowed to swim with their children and are not allowed to permit their children to swim in the roped off areas.

This is not a time for children older than 5 to visit the kiddie pool. This rule will, as always, be enforced. This ruling is a suggestion of the Red Cross.

UNDER 11

A parent or a caregiver must accompany all children under the age of 11. Children age 11 and over are eligible to swim without a parent or caregiver present at the pools.

11 AND OLDER RULE

Anyone who is not accompanied by a parent will have to use the pool fob to enter the pool. The lifeguards have no way of checking the age of children entering and will instruct the child to go home and get their pool fob. If a parent wants to send a child to the pool then they must send the child with the family's pool fob.

GUESTS OF 11 AND OLDER: These children may not bring a child/sibling/guest under the age of 11 into the pools.

CAREGIVERS

Anyone intending to bring a child to the pools on a regular basis (other than his/her own children) is required to have a Caregiver Form on file in the office.

The sole purpose of this form is to verify that you, the parent, are aware that your children are at the Hunter Oaks Swim Club.

Caregivers are not to leave children unattended at the pool. All children under the care **MUST** leave the pool at the time of the Caregiver.

CAREGIVER'S AGE

A Caregiver must NOT be younger than 14 years of age to bring children into the Hunter Oaks Swim Club. Caregivers are not permitted to bring in guests while serving in the capacity of a Caregiver.

NO SWIMMING

If a lifeguard is not present, there is to be no swimming. This is to be enforced at all times during the year. Pool Privileges will be suspended if not adhered to. The only exception to this is when we allow adults 18 years and older to use the Beckford Glen pool from 6AM – 10AM for lap swimming and 8pm to 10pm.

NO DIVING

Our pools are NOT designed for diving. No matter HOW experienced you are at diving, your pool privileges will be revoked.
